

Uniform Guidelines 2021-2022 School Year

In order to improve the school's educational environment, promote a more effective climate for learning, foster school unity and pride, and allow students to focus solely on learning and not on attire, the school has a dress policy for students that applies to all school days and school-sponsored events. The Administration of Ambition Prep reserves the right to address any item of clothing or appearance that detracts from the uniform policy/code. In all cases, Ambition Prep has the right and the responsibility to determine what is appropriate.

Students who do not follow the guidelines appropriately may be given the missing item from his/her uniform, and a billing statement will be mailed to the parent/guardian for the item. Parents/guardians must pay all balances before report cards can be issued to the student. One free uniform shirt will be given to scholars each year and additional uniform shirts can be purchased from the school.

For safety precautions, once a uniform has been purchased, we will not be able to exchange it.

Dress pants should be straight leg or regular fit, and not made of denim or jean material. They should not be ripped or frayed at the bottom. When students enter the school building, they must be in the proper uniform; they cannot change into the school uniform upon arrival. Students also may not change out of their uniform before dismissal, unless they are participants in an after school elective that requires them to do so. At all times during the school day — including after-school — shirts must be tucked in.
