

Bus Rider Behavior Contract

2023-2024 School Year

Dear Parents and Students:

It is important for all bus riders to and from the Ambition Prep campus to accept and acknowledge that transportation services are a privilege which will continue only if behavior on the school bus is reasonable and safe. While our mission is to get our Ambition Prep scholars to and through college, our number one priority is to protect the safety, interests, and the rights of all scholars. We take this priority extremely seriously. Scholars who choose to engage in unacceptable behaviors on the school bus create an unacceptable risk for themselves as well as other students, the bus driver, the motoring public, and pedestrians. The bus driver, working with the assigned bus monitor, is responsible for the safety and discipline of bus riders. The school leaders and the bus monitor will be available to assist the bus driver to maintain discipline and good order on bus routes through the use of appropriate discipline measures which will include the suspension or permanent removal of bus privileges.

To ensure a safe and enjoyable ride for everyone, we ask that you review this behavior contract with your child (children) and sign. Please return the signed contract to the administration office as soon as possible.
